9. The golf course will be re-opened for open play after tournament play except when otherwise restricted by the Club.

Golf Course Etiquette

Persons using the golf course should do their part to make a round of golf a pleasant experience for everyone at the Club. Here are some suggestions:

1. Do not waste time. Anticipate the club or clubs you may need, and go directly to your ball. Always be near your ball to play promptly when it is your turn. If a player is delayed in making his shot, it would be courteous for such player to indicate to another player to play which should not be deemed playing out of turn.
2. The time required to "hole out" on and around the green is a chief cause of slow play. Study and clear the line of your putt while others are doing the same. Be ready to putt when it is your turn.
3. When approaching a green, park your golf cart or pull cart on the cart path on the best direct line to the next tee, in order to save significant time. Never leave the golf cart in front of the green where you will have to go back and get it while following players wait for you to move on.
4. When play of a hole is completed, leave the green promptly and proceed to the next tee without delay. Record the scoring for the completed hole while the others in your group are playing from the next tee.
5. If you are not holding your place on the course, allow the players behind to play through. Do the same if you stop to search for a lost ball.
6. Slow play and breaches of golf etiquette will be reported to the pro shop. Appropriate action will be taken by the appropriate pro shop personnel.
7. Rake all footprints from the bunkers.
8. Fill all divots on par 3 tees.

9. Observe and follow all direction signs on the course.
10. In landscaped areas, a free drop is accorded not closer to the hole.

Limit on Number of Memberships

The Company may, in its sole discretion, limit the number of memberships available in any category of membership as the Company determines appropriate from time to time.
